## Remarks

Claims 6 through 14 stand provisionally rejected under the judicially created doctrine of obviousness type double patenting as being unpatentable over claims 14, 16, 8, 9 and 11 through 13 of co-pending application No. 10/516,013. The Examiner has, however, indicated that the claims are otherwise allowable.

In response to these rejections the Applicant encloses a terminal disclaimer. Review, acceptance and passage to issuance is requested.

Respectfully submitted,
